

ELITE

NEWVISION®

ELITE

The ELITE stands as so much more than a Service Kiosk. It's a highly versatile, high capacity equipment, ideal to acquire products, such as stamps, tickets, vouchers and scratch cards, as well as accepting different forms of payment for a multitude of operations.

The user has full autonomy over the whole process, being able to pay with cards or cash, with the ability to change in return, and also getting access to multiple format official and legal documentation.

Features

- Modular Design & Built
- Accepts Coin payments up to 16 denominations
- Recycles up to 5 types of coin denominations
- Removable coin safe with locking mechanism (1500 coins)
